

DR. LINA THAKAR

SPEAKER, AUTHOR AND EXPERT AYURVEDA PHYSICIAN

HEAL WITHOUT A PILL™

Drugs, Chemicals and Pills are not the only choices to heal your body. Those often only mask the problems. Stress in our daily lives often is the root cause to initiate the inflammation, which then leads to many chronic health issues. The conventional process simply treats the symptoms. These chronic health issues can affect your personal, even work relationships and significantly affect productivity as well. With 27 years of expertise in healing body, mind and soul, she shows you how to heal yourself without drugs, pills and chemicals. With her 'Heal Without a Pill' method, Dr. Lina empowers individual to heal naturally and design holistic health as integrative approach to healthcare.

An international speaker known for her high-content, Dr. Lina Thakar is an expert with high energy and very interactive with your entire audience. With "do-it-now" tools and immediately actionable takeaways your audience will be ecstatic with their new found natural path to healing. She is the author of five books, one international best-seller. Her upcoming book is "Heal Without a Pill: 9 Instant Action Steps to Stop Energy Fluctuations, Weight Issues, and release depressed mindsets". Having over 25,000 clients in the past 27 years and presenting for over a thousand groups, her 'Heal Without a Pill' approach has truly saved lives

TESTIMONIALS

"I highly recommend Dr. Lina Thakar for your next speaking engagement. I had the opportunity to see her speak on several different stages and platforms. One of the most famous would be the success resources platform. She was a fascinating speaker. I was spellbound, 90 min flew by. She is engaging, educational and I learned so much from her that I can take away and apply immediately. As a speaker, she is very professional and articulate. She begins and ends on time. I highly recommend for your next speaking engagement that you take an advantage on the opportunity and have Dr. Lina Thakar for your event."
